Copilot Notebooks

# Und was mache ich dann mit dem Notebook?

The screenshot displays the Microsoft Copilot Notebook interface. On the left, a sidebar contains navigation options: Suche, Chat, Agents, Unterhaltungen, Seiten, Notebooks (highlighted), Erstellen, and Apps. The main area is titled 'Ihre Notizbücher' and shows a list of notebooks under 'Alle Notebooks': MVP: Productivity Powerhouse, Adventure Works (selected), MVP: Scenario Bingo, and MVP: The Smart Work Future. The 'Adventure Works' notebook is open, showing a search bar with the prompt 'Fragen Sie Copilot nach Ihren Referenzen oder einem anderen Thema für dieses Notizbuch.' Below this is a 'Verweise' section with tabs for 'Alle', 'Word', 'Excel', and 'PowerPoint'. A list of references is shown, including 'Adventure Works Product and Marketing Analysis', 'Adventure Works E-Bikes Financial Overview Q1 2024', 'Adventure Works Product List', 'Adventure Works E-Bikes', 'Adventure Works Product Analysis', 'Adventure Works Product and Inventory Analysis', and 'Adventure Works Financial Overview'. A purple arrow points from the search bar area to the right.
